

Class of 2026—Important Senior Picture Information

Senior photos will be July 7-8 in the auditorium at KCHS.

You will receive an appointment via email from Big Orange Professional Photography (BOPP) in June.

Last make-up date will be August 8 during the afternoon/evening.

Appointments will be made **by students after school starts**. It is strongly recommended that you go to one of the summer dates so that you still have an opportunity for retakes if something goes wrong with the first round.

Sitting fee is \$35 and payable on the day photos are taken (checks to BOPP, credit/debit cards and Venmo also available). If you do have retakes, there is an additional sitting fee of \$35, unless there was a photographer error. "Yearbook only" clients, who choose not to pay the sitting fee, are photographed with one image in the tux or drape and do not receive cap & gown pose.

Grooming: In order for the formal portrait to be used in the yearbook, school guidelines for grooming must be observed. Guys, please make sure that your **hair is not in your eyes**, that you are **clean shaven** and **no ear piercings**. Guys and girls, **no nose piercings** and you may want to bring a friend or family member to help with hair, etc. Also, due to time constraints, the photos that are printed in the yearbook are not retouched. Girls, **tan lines are especially obvious**, so you may want to take care of that prior to your photo.

You **MUST** have the formal portrait made with the school photographer to be included in the yearbook.

There are **four photo settings**: formal, indoor casual, outdoor, and cap & gown. You may bring two changes of clothing and any props you choose (e.g., guitar, football, etc.) for the indoor casual and outdoor settings. The tux & drape and the cap, gown, and National Honor Society stole (if applicable) are provided by the photography company. **Gender specific formal attire must be worn for the yearbook portrait**. Please ask for the stole if you are in NHS.

Proofs: Except for cap & gown, proofs are delivered via email before the retake day. There will be a deadline for orders listed on the top of the proof page. but you can order beyond that date if you pay a late fee. Senior portrait packages start at \$100; individual items may be ordered for less. I have investigated pricing at various school photography companies; BOPP is quite reasonable. Cap & gown proofs will be delivered around March.
